Dear Deputy Administrator Hendrickson:

On behalf of the members of the American Concrete Pavement Association and the \$8 billion concrete pavement industry, we extend our hearty congratulations and best wishes on your appointment as Deputy Administrator of the Federal Highway Administration.

The members and staff of our Association pledge to continue our strong support of the Federal Highway Administration, as well as to continue working with key officials to advance a number of programs aimed optimizing the investment in our nation's highways and roadways.

We are very eager to meet with you to discuss some current and planned efforts that we believe will benefit all stakeholders in the highway and roadbuilding community responsible for building, rehabilitating, and preserving the Federal Aid Highway system. We will be in contact soon, but in the interim, please feel free to call on either of us if we may be of any assistance to you and your staff.
