This NACA website provides a wealth of government affairs-related information and resources for the broader concrete industry. NACA is focused on addressing industry-wide legislative and policy related concerns & initiatives in the areas of infrastructure investment, research, safety and education. We encourage you to visit the site and explore the content. The site features information and links to help you take action on the following topics:

- Infrastructure
- Resiliency & Sustainability
- Workforce Development
- Environmental & Regulatory Reform
- Health & Safety

Connect. Stay Informed. Take Action

* NACA was formed in 2004 for the purpose of addressing industry-wide concerns & initiatives in the areas of research, safety, education, and government affairs. The coalition is comprised of the American Concrete Pavement Association, American Concrete Pressure Pipe Association, American Concrete Pumping Association, Concrete Reinforcing Steel Institute, National Concrete Masonry Association, National Precast Concrete Association, National Ready Mixed Concrete Association, Portland Cement Association, Precast/Prestressed Concrete Institute, and Tilt-Up Concrete Association.
