*DESCRIPTION* – Allied association members shall be independent not-for-profit organizations representing groups with interest and objectives parallel to and compatible with those of the American Concrete Pavement Association. Local paving or pavement associations that are otherwise qualified to hold a charter as a chapter of the Association under Article V of the ACPA bylaws are not eligible to join through the allied association member category. International Members shall be any association outside of North America. If elected to membership, allied association members shall, in consideration of the privileges of membership, pay all applicable national dues that are in effect during the period of membership. All memberships are considered active unless a letter of resignation of membership is received in writing at the Association headquarters office.

**ACPA MEMBERSHIP IS TAX DEDUCTIBLE:**

The American Concrete Pavement Association (ACPA) is a 501(c)6 organization. For federal tax purposes, contributions to the ACPA are a deductible business expense, with exception of expenses directly attributable to federal lobbying. **For 2019, 2.85% of membership dues is classified as lobbying activities and is not tax deductible per IRS regulations.** No portion of ACPA dues are contributed to political campaigns or candidates.

**CONTRIBUTION TO INNOVATIVE RESEARCH FOUNDATION:**

ACPA maintains a commitment to research and education on behalf of the industry. A voluntary member contribution designated for the Innovative Pavement Research Foundation (IPRF), a 501(c)3 organization operated by ACPA will be restricted for use in funding research and education priorities. The IPRF applies its funds toward projects that meet the strategic intent of the concrete pavement industry, such as:

- **Performance-Engineered Concrete Mixtures** – an effort shared by the ACPA/IPRF and its partner, National Concrete Pavement Technology Center to develop new mixture design procedures for concrete paving mixtures. Performance-engineered mixtures will better ensure concrete pavement applications will meet and/or exceed the intended design life without premature materials-related durability problems.
- **Concrete Overlays** – an effort shared by the ACPA/IPRF and its partner, National Concrete Pavement Technology Center to refine and implement improved guidance on concrete overlays for existing concrete or asphalt pavements.
- **Technology Transfer and Education** – an effort directed toward the development knowledgeable engineers about concrete pavement and the concrete pavement industry.
