DESCRIPTION – An individual affiliate member shall be an individual not actually engaged as an employee of a company that is a contractor, cementitious material company, material manufacturer/supplier, material hauler, ready mix concrete supplier, equipment manufacturer/distributor, professional consultant or trade association, but who is interested in advancing the purposes of the Association as stated in the articles of incorporation and bylaws. Affiliate membership entitles the member to listing by their individual name (not company name). Affiliate membership privileges do not transfer to an affiliate member's employer or colleagues from their employer. All memberships are considered active unless a letter of resignation of membership is received in writing at the Association headquarters office.

PLEASE DESCRIBE YOUR EXPERIENCE (INCLUDE THE TYPE OF WORK YOU DO OR YOUR INTEREST IN CONCRETE PAVEMENTS):

ACPA MEMBERSHIP IS TAX DEDUCTIBLE:

The American Concrete Pavement Association (ACPA) is a 501(c)6 organization. For federal tax purposes, contributions to the ACPA are a deductible business expense. **For 2026, 5.30% of membership dues is classified as lobbying activities and is not tax deductible per IRS regulations.** For 2025, no portion of ACPA dues are contributed to political campaigns or candidates.

CONTRIBUTION TO ACPA FOUNDATION:

ACPA maintains a commitment to research and education on behalf of the industry. A voluntary member contribution designated for the ACPA Foundation, a 501(c)3 organization operated by ACPA will be restricted for use in funding research and education priorities. The ACPA Foundation applies its funds toward projects that meet the strategic intent of the concrete pavement industry, such as:

- ***Performance-Engineered Concrete Mixtures*** – an effort shared by the ACPA Foundation and its partner, National Concrete Pavement Technology Center to develop new mixture design procedures for concrete paving mixtures. Performance-engineered mixtures will better ensure concrete pavement applications will meet and/or exceed the intended design life without premature materials-related durability problems.

- ***Concrete Overlays –*** an effort shared by the ACPA Foundation and its partner, National Concrete Pavement Technology Center to refine and implement improved guidance on concrete overlays for existing concrete or asphalt pavements.

- ***Technology Transfer and Education –*** an effort directed toward the development knowledgeable engineers about concrete pavement and the concrete pavement industry.
