DESCRIPTION – Entities that manufacture or supply essential materials (other than Portland cement, supplementary cementitious materials, or ready mix concrete) for use by contractors directly in pavement construction, rehabilitation or maintenance are eligible. After joining, all members shall be deemed to have agreed to be bound by the Association’s Articles of Incorporation, bylaws, policies approved by the Board of Directors, affiliation agreements with chapters or affiliates of the Association, and all obligations contained in any of those documents. All memberships are considered active unless a resignation letter is received in writing at the Association headquarters office.

ACPA MEMBERSHIP IS TAX DEDUCTIBLE:

The American Concrete Pavement Association (ACPA) is a 501(c)6 organization. For federal tax purposes, contributions to the ACPA are a deductible business expense. For 2020, no portion of ACPA dues are contributed to political campaigns or candidates.

CONTRIBUTION TO INNOVATIVE RESEARCH FOUNDATION:

ACPA maintains a commitment to research and education on behalf of the industry. A voluntary member contribution designated for the Innovative Pavement Research Foundation (IPRF), a 501(c)3 organization operated by ACPA will be restricted for use in funding research and education priorities. The IPRF applies its funds toward projects that meet the strategic intent of the concrete pavement industry, such as:

- **Performance-Engineered Concrete Mixtures** – an effort shared by the ACPA/IPRF and its partner, National Concrete Pavement Technology Center to develop new mixture design procedures for concrete paving mixtures. Performance-engineered mixtures will better ensure concrete pavement applications will meet and/or exceed the intended design life without premature materials-related durability problems.
- **Concrete Overlays** – an effort shared by the ACPA/IPRF and its partner, National Concrete Pavement Technology Center to refine and implement improved guidance on concrete overlays for existing concrete or asphalt pavements.
- **Technology Transfer and Education** – an effort directed toward the development knowledgeable engineers about concrete pavement and the concrete pavement industry.
