

Indiana Chapter – American Concrete Pavement Association Announces Staff Changes

June 28, 2022

(Indianapolis, IN) The Board of Directors of the Indiana Chapter - American Concrete Pavement Association is pleased to announce that John Leckie, P.E., Director of Pavements and Materials since August 2019, will become Executive Director effective July 1, 2022. Mr. Leckie will be the second Executive Director of the organization since its founding in 1988. Current Executive Director Mike Byers has served in that role with distinction since 1988. Mr. Byers will remain on staff during the next few months to assist in the transition until a planned retirement. Patrick Long, Director of Marketing and Government Affairs, will continue serving in that role going forward.

The Indiana Chapter of the American Concrete Pavement Association (Indiana Chapter ACPA) is a 501(c) 6 trade association providing technical, advocacy, and government affairs support to its member contractors and suppliers in Indiana. The organization works with federal, state, and local officials, the civil engineering community, academia, and industry educating and advancing best practices in concrete pavement design, construction, and preservation for sustainable long-term performance, safety, and value.
