**INTERNATIONAL CONTRACTOR MEMBERSHIP DESCRIPTION AND INFORMATION:**

An allied industry member shall be an entity that manufactures/distributes/sells upstream products (products that are not used directly in paving, or pavement, but may be materials, components, or parts used in the manufacture or fabrication of value-added products that are produced and distributed by companies meeting the other membership classifications).

1. Manufacturers and distributors of stock materials, components, or parts used in the manufacture or fabrication of value-added products that are produced and distributed by companies meeting the ACPA Equipment and Materials Division categories, as well as the Ready Mixed Concrete Producer and Cement Company categories. (Examples of products produced by qualified companies include: rolled steel stock, certain chemicals and plastics, components used by equipment OEM's, and the like.)
2. Companies that produce and distribute directly to paving contractors and agencies are **not** be eligible for membership in this category.
3. Companies that produce equipment, materials, or other value-added products, and which are eligible for Materials or Equipment membership, or membership in other ACPA membership categories must participate in the respective categories.
4. Notwithstanding the use of trucks and automobiles on the grade, a special provision automotive OEM's (e.g., Ford Motor Co., General Motors Corporation, and the like) also are eligible for membership in this category for vehicles.

All memberships are considered active unless a letter of resignation of membership is received in writing at the Association headquarters office.

**CONTRIBUTION TO ACPA FOUNDATION:**

ACPA maintains a commitment to research and education on behalf of the industry. A voluntary member contribution designated for the ACPA Foundation, a 501(c)3 organization operated by ACPA will be restricted for use in funding research and education priorities. The ACPA Foundation applies its funds toward projects that meet the strategic intent of the concrete pavement industry, such as:

- ***Performance-Engineered Concrete Mixtures*** – an effort shared by the ACPA Foundation and its partner, National Concrete Pavement Technology Center to develop new mixture design procedures for concrete paving mixtures. Performance-engineered mixtures will better ensure concrete pavement applications will meet and/or exceed the intended design life without premature materials-related durability problems.

- ***Concrete Overlays –*** an effort shared by the ACPA Foundation and its partner, National Concrete Pavement Technology Center to refine and implement improved guidance on concrete overlays for existing concrete or asphalt pavements.

- ***Technology Transfer and Education –*** an effort directed toward the development of engineers knowledgeable about concrete pavement and the concrete pavement industry.

**PLEASE READ THESE IMPORTANT NOTES ABOUT CONTRACTOR MEMBERSHIP IN THE ACPA NETWORK:**

I have read and understand the section below (please check): ☐ YES ☐ NO

1. Any international contractor joins ACPA National directly and receives benefits from ACPA National (not from ACPA chapters or affiliated state paving associations).
2. Contractor members are obligated to pay dues annually. International members are direct-billed for dues upon joining the ACPA and then in January of each year thereafter. International contractor members are asked to complete all application and renewal forms and return them to the ACPA office.
3. Once established, an international contractor membership is considered active unless a letter of resignation of membership is received in writing at the Association headquarters office.
