

NDCC Names Brian Zuroff as Executive Director

NOVEMBER 1, 2022 - The North Dakota Concrete Council is proud to announce the hiring of Brian Zuroff as its new Executive Director, effective November 14, 2022.

Zuroff will lead the marketing, educational and promotional efforts of the North Dakota Ready Mix and Concrete Products Association and the North Dakota Chapter of the American Concrete Pavement Association.

Zuroff replaces Art Thompson, who served in this capacity for the past 4.5 years and recently announced his resignation to take a position with the State of North Dakota.

Zuroff was previously a Civil Engineer and Project Manager for a private consulting firm in Bismarck where he led the engineering design of many projects throughout North Dakota, South Dakota and Montana. He is currently a licensed Professional Engineer in 5 states, as well as a Model Law Engineer designee from the National Council of Examiners for Engineering and Surveying (NCEES).

Zuroff has served the NDRM&CPA as a Gold Star Awards judge for the past four years and has been a frequent user of the NRMCA's Design Assistance Program. Working with local leaders and members of the PaveAhead team, Zuroff has incorporated concrete into many aspects of the projects has designed over the years.

Throughout the community, Zuroff sits on the Burleigh County Planning and Zoning Commission and is a Vice-Chair for the Bismarck-Mandan Chamber EDC Local Issues Committee. He is also a former President of the North Dakota Society of Professional Engineers.

Outside of the office, Brian enjoys spending time with his family (Wife, Latasha, and 3 kids), hunting, fishing, and other outdoor activities.
